Corporate Social Responsability POLICY

Policy Introduction

This policy describes the approach to be taken in relation to the corporate social responsibility of the company Grad-export.

Target group

A model company is a company that works with products that are beneficial to society, that serve its customers, suppliers, employees of all categories better than most other companies.

1. Respect human rights, i.e. adopt a political commitment to establish and maintain an in-depth analysis of human rights, whereby companies regularly identify, prevent or mitigate their potential adverse effects.
2. Systematically manage significant negative environmental impacts, i.e. adopt a political commitment to establish and maintain an in-depth analysis of the environment, whereby companies regularly identify, prevent or mitigate their potential adverse effects.
3. Systematically manage the risks of corruption, money laundering and antitrust practices, i.e. adopt a political commitment to establish and maintain an economic in-depth analysis, whereby companies regularly identify, prevent or mitigate their potential adverse effects related to corruption and money laundering.
